

Becoming a Member of West St. Olaf Congregation

Thank you for your interest in becoming a member of our congregation!

We invite you to fully participate in all aspects of our church life, prior to becoming a member: worship services, Sunday school, Luther League for teens, confirmation during the school year, WELCA for women, our women's quilting group, special events/outings and coffee hours on Sundays.

We have two dates each year when we accept new members into our congregation (*typically the last Sunday of March and September – specific details will be listed in church bulletins prior to each new member event*).

Please inform our pastor that you desire to become a member, well in-advance of a “New Member Sunday” so we can gather all the needed information ahead of time.

INFORMATION NEEDED:

1. The name, address and phone number for the church from which you are transferring
2. Also the name, address and phone number (for each family member joining) of the church where the following events took place: birth/baptism, confirmation date, marriage date

If you have any questions regarding membership, please don't hesitate to contact our pastor.

CONTACT INFO:

Pastor: Rev. Paul Thompson
